

令和 6 年2月度 水質検査結果書 (2/2)

由宇、上関ルート (岩国市由宇町、柳井市、田布施町、上関町、平生町)

Table with columns for inspection methods, locations (上関, 平生, 由宇, 柳井, 田布施, 日積浄水場), and various water quality parameters. The table is divided into three main sections: '水質基準項目' (Water Quality Standard Items), '水質管理目標設定項目' (Water Quality Management Target Setting Items), and 'その他の項目' (Other Items). Each section lists specific chemical and physical parameters with their respective units and values across the different locations.
